Vol. XLIV, No. 111

WWE GUIDE

Tatum Thomas,
Junior Writer

Remember WWE? A lot of people used to watch wrestling as a kid but grew out of it. However, I ain't one of those people and in the year 2024, WWE is REALLY GOOD (like for real)! If you wanna catch up on or learn about some of the current key players in WWE then this is the article for you. If not, go ahead and flip to another article (you close-minded individual)! With the Road to WrestleMania upon us, I present to you:

THE BULLSHEET'S GUIDE TO WWE

If you don't know, This guy used to walk around looking like a living can of Rockstar Energy but now he's the main character of WWE and all he wants to do is finish his story. You might wonder why they call him "The American Nightmare". Well, they call him that because the amount of fireworks in the country goes down by 50% each time he makes his entrance.

Yup Mr. Forrest Boy is part of the WWE where he's the current United States Champion. He's a good wrestler and I hate to admit it but Prime actually ain't that bad. Okay, let's move on.

Dwayne Johnson's acting career is in the gutter so he came back to ol' reliable - WWE. Just know that within WWE at this moment, The Rock is not a good guy, he's a total jerk. A few days ago he spent 40 whole minutes calling the people of Arizona crackheads on national television.

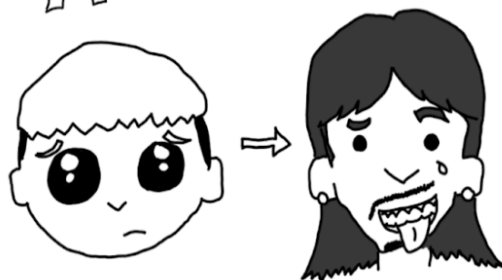

After 12 long years of being away he's back and more injury prone than ever! Every time this guy accomplishes something he always ends up with a broken bone or torn muscle. One moment he's here, the next he's gone. Out of all his injuries, the one he currently has is the funniest because a 6' 5" Scottish man in a kilt prayed on his downfall and the prayers were answered.

Roman is THE champion. He's held the title for nearly 3 years - the final boss of WWE - and all he wants is your acknowledgment. With all that being said he's not all that good. He gaslights and manipulates his family into helping him keep his title. So all of Roman's matches end with him winning because his cousins superkicks his opponents when the referee's back is turned. Us wrestling fans love to hate him so much.

DOMINIK MYSTERIO

Remember that kid who had two grown men have a ladder match to gain custody of? Well, he's all grown up! Dom Mysterio is the son of the legend Rey Mysterio. They used to make a pretty good tag team until he got choked between the thighs of a goth Australian woman - he stabbed his dad in the back to join her gang! The things people do for love.

“What are some of the old guys doing?” You may be asking yourself. Well, Batista is hollywood now but John Cena is a part-timer and still wears jorts. Randy Orton is still handing out them RKO's. Rey Mysterio is the king of getting backstabbed and most importantly Triple H is in charge of the whole operation. Vince McMahon's old ass is outta here!

OUR PITCH

Robert Adams,
Submission

Hello all! Since we were not able/allowed to set up a presentation time at Denison, we are using this space to share some of the exciting things we have planned for next fall!

- 🏠 Effective next fall, Curtis and Huffman Dining will only be accessible to the residents of their respective halls. In addition to shortening lines and lowering wait times, this will also help to reduce food waste!
- 🌱 In order to expand our vegan and vegetarian options, we are committing to planting a vegetable garden in the Reese-Shackelford Common! Tired of our options? You can now harvest your own!
- 🐔 This one's exciting.. We want to replace Common Grounds with a Chick-fil-A! We stole this idea from Chartwells's actual presentation because sometimes real life satirizes itself.
- 🕷️ We think it would be fun to introduce spider-like drones that carry your food directly to your dorm room. In order to not disturb campus foot traffic, we are looking at creating an underground tunnel system through which these drones could travel.
- 🍴 Lastly, we are proud to announce our 5-year plan to transform Barney-Davis into a new dining hall called *The Barn*. Sorry English majors, south quad has to eat too.

Signed,
Your Future Caterers
