CALENDAR FOR FINALS

Carter Seipel,
With the Times

So, I *may* have missed tax day. Whoops! Boy is there (Easter) egg on my face! Anyways my accountant seemed pretty irked by the whole ordeal. Apparently we're supposed to keep track of the days? Next you'll be telling me I have to actually commit to prior commitments. Strange days are upon us indeed. So I decided I'd craft a Bullsheet that every student could use. A calendar! Just in time for the middle of the month! Think about how useful this thing will be for finals. Long gone are the days of googling "What day is it?" Never again will you miss a test, meeting, or your favorite professor's birthday. Assuming you bother to fill this thing out...
