GRANVILLE'S MOST PARTICIPATORY PUBLICATION

Vol. XLV, No. 52

ATTENDANCE IS MANDATORY

Brin Glass,
Senior writer??

I love class!

I love going to class!

When I don't love going to class, I have a STRICT schedule I follow to make them fly by.

For example:

11:25 am: Get to class and sit in my (un)assigned seat.

11:30 am: Say whadduppp to my Professor. Can't leave them hanging.

11:35 am: Play wordle, connections, mini crossword, then strands. (this is the correct order)

11:40 am: Realize that only took me 5 minutes because I am an NYT games God.

11:42 am: Nod my head very aggressively and go hmmmhmmmmmmhmmmm to make it seem like I am listening. Do this for 15 seconds, wait a minute, and repeat for 30 more seconds

11:44 am: Go to the bathroom

11:52 am: Come back to class hoping people don't think I just took a big ol shit because I was gone for 8 minutes which is way too long for a little pee break but I didn't actually shit I was just looking at the Huffman lunch menu

11:54 am: Look up Huffman menu again because I forgot what it was and compare it to Curtis

11:57 am: Decide I'm just going to Slayter for the 9th week in a row

11:59 am: Get hella excited because I only have two 10-minute intervals left in class

12:00 pm: Check my email

12:02 pm: Text my mom that I love her

12:03 pm: Text my roommate that bad things will happen to her

12:10 pm: After pouring my heart and soul into that text, I only got 10 minutes left so I play 2048 which I'm also really freaking good at

12:12 pm: Order lunch on Grubhub to perfectly line up with my 12:20 ending

12:18 pm: Then I start to rummage through all of my belongings, obnoxiously. I slam my computer shut and zip up my backpack like I am strangling someone, shoot a quick finger gun in my professor's direction, and tell them to get lost!!!

12:20 pm: Everyone else leaves class and I assert my dominance as best student

DISCLAIMER: Listen to **YOUR PROFESSORS**. But if you hope to replicate it for an 80-minute class, repeat schedule 1 and a half times.
