I'm very happy to announce that I will never be leaving Denison! Next year, in the fall of 2025, I will be opening a frozen banana stand on campus near the Whistler Center! I hope to earn your patronage.

Although I have never considered myself much of a Dr. Dog fan, besides a few songs here and there, I have noticed that each year I’ve attended Denison one of their songs stands out and shapes my entire year. I thought this was cool and would share it with our few readers.

IT IS STILL ME, BRIN, SORRY :)

My final message to whoever the hell is reading:

Denison is what YOU make of it. Stop complaining and get off your ass if you hate this school.

Oh, also, be nice to people, especially your professors, they put all of themselves into teaching students. Close your computer screen. Buy the pair of Sambas after class. They’ll be there.

Lastly, PLEASE get off YikYak and be present in the actual fucking world, you assholes.
