

The Bullsheet, a forum for news, humor, and community dialogue, is funded by DCGA, recycles, and is printed each day that classes are in session. Submissions must be sent before our editors shamble into the office for next day publication via email to: bullsheet@denison.edu. Submissions herein solely reflect the opinions of the authors.

GRANVILLE'S "MOST HELPFUL" PUBLICATION

Vol. XLV, No. 2

F.A.M.Q (FRESHMEN ASKED MORE QUESTIONS)

*Carter, Christine,
Lindsey, and Leah,
All Former Freshmen*

Freshmen keep asking us questions! Pretty rude of them, but we're happy to provide even more helpful answers:

Will I make friends?

Yes, of course you will. You'll probably stop talking to most of them after about a week, but don't feel bad you'll make new ones and then look back at photos forgetting, who they were.

How do I drop one of my classes?

What are you, a coward? It's only been a day! Try dropping it on September 11th (that's the day after the deadline for dropping. Anything else to do with that date is purely a coincidence and not a part of this joke).

Do I really have to wear shower shoes?

You do you, but just know you're the reason the rest of us have to.

Where am I allowed to park?

Anywhere! We're in America!

How loud are we allowed to be on Tuesdays at 12:16am?

You do you! We're still in America!

What happens if I lock myself out?

You're basically evicted now. Either call an Uber and go back home or become one with nature and live amongst the deer.

Does he actually want to watch a movie?

For sure. 100%! What else would he want to do? He literally said "let's watch a movie." Stop over thinking it! Put on your comfiest fit and make some popcorn! So what if he's a super senior? It sounds super fun!

Want to come over and watch a movie?

(This is where you say yes! Have you seen Wicked yet?)

Best time to order Slayter to go?

11:30, right around lunch. Trust me, you'll be the only one. Underground timeslot. And if you have to wait, which I'm not saying you will, but if you do, you might as well read the Bullsheet while you wait.

What's that sound?

It's Wednesday at noon!
