A LETTER TO MY LOYAL READERS AND MY LOYAL READERS ONLY, Leah, plotting and scheming

Get excited. Ladies, gents, theys, and thems, YOU are in for a treat. Halloween is my Met Gala. My Project Runway. My empire. I take it very seriously. No last minute halloween costumes for me. And let me just say if you're reading this and you don't have a costume planned. You're late. I've been planning since June. No bunny ears. I WILL be original. My individuality complex WILL shine and I LOVE to see all you Denisonians with your equally vibrant individuality complexes shine too. And if my costume ends up as a tik tok just know that I dont have tik tok and I thought of it first and also I HATE MYSELF I HATE MYSELF I HATE MYSELF. But! lucky for you I am officially a senior and need to gatekeep my ideas no longer. Over the next 4 weeks, I'll be taking you to **HALLOWEEN BOOT CAMP**. We'll be reviewing the worst costumes of my childhood and the best costumes of my college career. I'll walk you through my best unused costume ideas and how to execute them. I'll share my awsoonest and most unrelatable halloween stories. I'll even tell you how to impress your crush on Halloween. We'll go over the ins and outs of how to (and how not to drink) this halloween. There is media you will need to consume. Music and movies you must know. There WILL be an exam. You may be wondering why I wrote this instead of said proposed articles and that's a great question. I don't have time but just know I'm hype about this and you should be too. That being said please review pages 1-15 of your course textbook and bring a printed copy to class next time we meet, Wednesday, October 8th.

Best, Leah
