Vol. XLV, No. 4

## CHRISTINE'S CONCERNS

Christine,  
a concerned Denisonian

*Hey guys! Happy first Tuesday of classes, I definitely did miss you, but I know you guys have probably missed me but don't cry, I'm back! If you truly want to know, I've been abroad in Switzerland! Isn't that so amazing?! I won't bore you with the details because personally, I am sick of telling everyone to study abroad. It's the same conversation, over and over again.*

*A lot has changed since I've left and I am still getting used to everything, but I did have a couple of concerns...*

1. Nathan Graves has left. Who the fuck is gonna give out pizzas?
2. Rumors of Benson Boone performing a D-Day? I swear he already played the trumpet for Doghouse?
3. Too many toes on campus. Let's all wear socks!
4. Lays Barbeque. Probably one of the worst flavors in the Flavor Mix box.
5. Following this.. The disrespect to Cool Ranch Doritos.
6. Paying \$3.99 for a scoop of fries tossed in a greasy white bag. I was gone for an entire semester and all I wanted was some nicely cut potatoes. Quit the rations.
7. The lack of parking available on this campus. Do I own a car? No, but I think it's still common courtesy for me to be able to find a parking space close to my dorm if need be.
8. My friends \*willingly\* treating themselves to cold glasses of milk. Something needs to be done.
9. The weather. Is global warming actually a hoax?
10. Being the student that mentions that they went abroad. This will be the first and last time I mention it. Let's not make it a thing. Okay?
11. The squirrels on South Quad
12. Who is throwing away all of the Bullsheets? I don't want to name names and point fingers, but **STOP IT HARVEST TABLE!**

## SUNNIES RECAP.
