GRANVILLE'S "MOST HEAVENLY" PUBLICATION

Vol. XLV, No. 19

IT'S HERE

Leah Jackson,
missing

Today is Tuesday, September 23rd, 2025. By the time you're reading this I may be gone. I have just discovered a copy of The Holy Bible hidden amongst the shelves of the bullsheet office. This can only mean one thing. I'm not gonna tell what though you have to guess. I definitely will not hint at anything by telling you that the bullsheet@denison.edu has been on the scientology email list since 2019. (True statement) The bullsheet is not a secret society and we have no religious, political, and or spiritual affiliations. (misleading statement) There is no tunnel under the lair I mean the office and if there was it leads nowhere. (incomplete)

There is a sticky note on the cover of the bible. It reads: We are not religiously affiliated but PLS read!
I suspect.....We have a mole.

Inside the cover a handwritten note: Mark Snider 323 Shorney Please Return-God wants you too.
Who is this man? where must he return?

Exodus 24:24 has been annotated. The following things were highlighted. 69. **Behold the feet. and. drank.** every man. shall receive. hair. oil. (see diagrams 1 and 2.)
