## A Formal Introduction

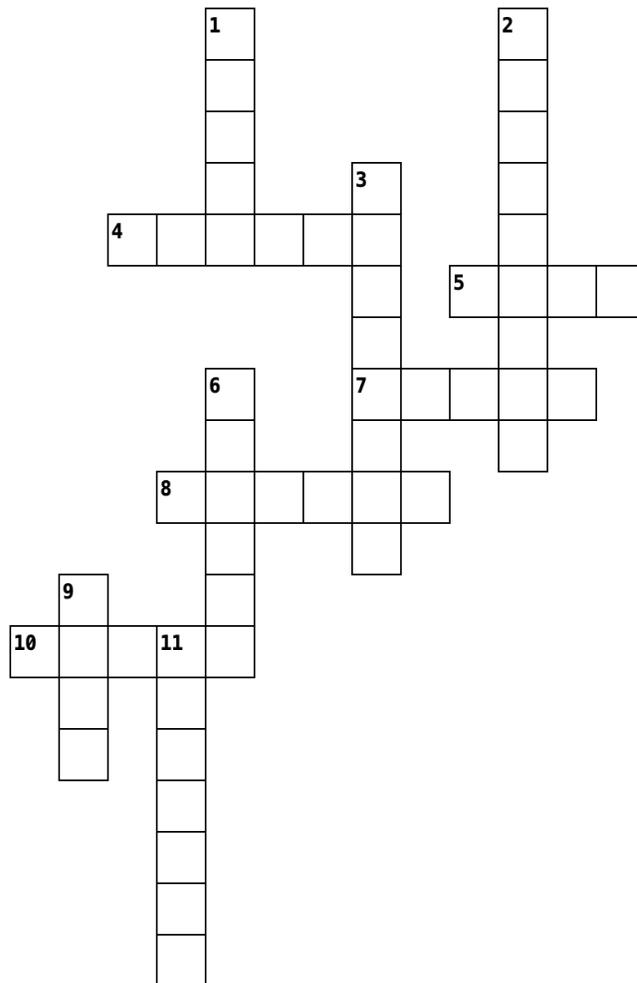

Leah Jackson  
Senior Editor

Hello dedicated bullsheet reader! Allow me to introduce myself. My name is Leah. I enjoy alien movies, blues music, indian food, and small animals. You may remember me as a junior writer from last fall. You probably don't because nothing I wrote was that notable. BUT, this fall I'll be your favorite senior editor. Don't tell the others. Especially Carter. He thinks my sense of humor is too edgy. Carter if your reading this the box is full of woke. Anyway, I can't wait. This is gonna be just like having a podcast except I dont have to talk or do any of the other things that would make this a podcast. You probably shouldn't listen to anything I say written, verbal, or otherwise.
