GRANVILLE'S "MOST IRISH" PUBLICATION

Vol. XLV, No. 9

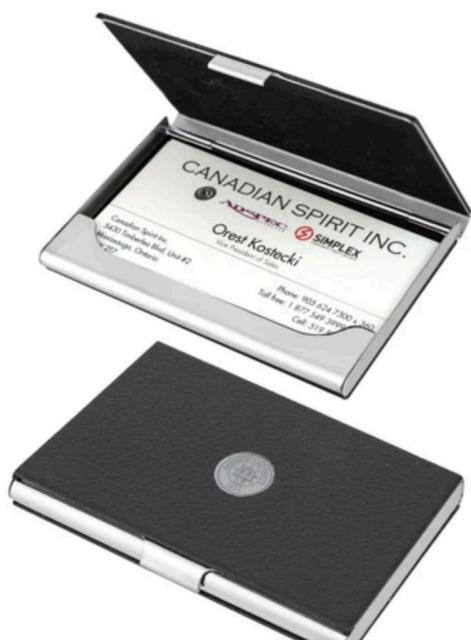

I <3 THE BOOKSTORE

*Christine,
a devoted employee who
would love a raise.*

It's come to my attention that my boss reads the Bullsheet, which means that if I want to keep my job...I gotta keep it tasteful. Luckily, I just decided to delete my draft about all the things that I dislike about the bookstore!

- p.s. that was a joke

On a completely UNRELATED note, here are some of my favorite items from the bookstore!

I was thinking about becoming a trivia master post-Denison. It's such a competitive field, so I'll definitely need some business cards.

These pint glasses are probably one of my favorite drinkware items in the store. They are perfect for a nice perfect pour of Guinness.

Who doesn't love Buzzy?

I'm suprised no one has come to purchase one of these things. We got like seven of them lying around.

*While I am talking about my wonderful job at the bookstore, here's a message from myself and the ladies in charge: Pick up your textbooks at the **mailroom** (when you get an email)!*

Welcome back to another Trivia sheet, hosted by me: The trivia master.

Do you think you got what it takes. Answer these questions and find out.
