GRANVILLE'S "MOST DIVA FRIENDLY" PUBLICATION

Vol. XLV, No. 31

IN'S AND OUT'S FOR FALL

Lucy Dale,

A less hot version of the Lorax

Now that Fella Fall has stomped his diva Doc Marten boots on Denison's campus, it's time to get our affairs in order and figure out what we are leaving in the Summer and what we are bringing into this new season!

In's:

(Fall leaf emoji) Using seasonal depression as an excuse for not going to class and then waking up the next day with actual seasonal depression

(Fall leaf emoji) Getting out of bed and looking over to your roommate and saying "It's a bit nippy out there today"

(Fall leaf emoji) Changing your Common Grounds order from iced to hot and having to physically cross onto the other side of the establishment to pick up your order

(Fall leaf emoji) Sweating in a sweater

(Fall leaf emoji) Putting on jeans from last winter and realizing what kind of summer you truly had

(Fall leaf emoji) Cuffing yourself to someone, literally, it could start as a Halloween costume but then swallow the keys and never go to the bathroom again

Out's:

(Fall leaf emoji) Seeing men's toes in class

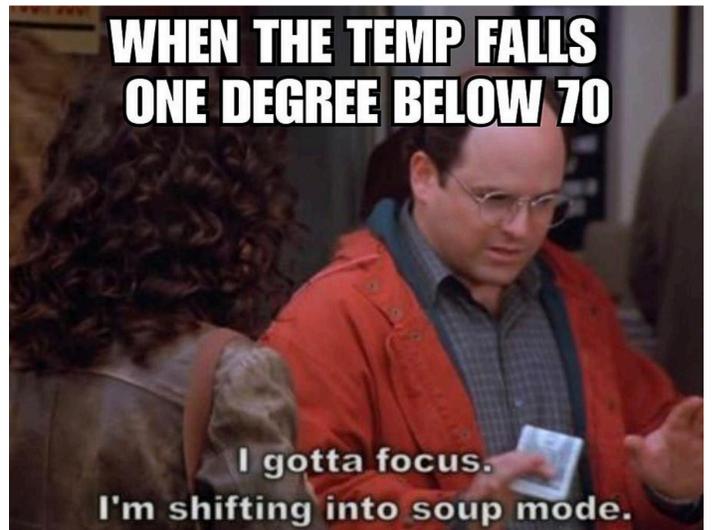

(Fall leaf emoji) Going to class

(Fall leaf emoji) Beverages creating a small ocean on your desk

(Fall leaf emoji) Going out on the weekends and "having a good time"

(Fall leaf emoji) Pit stains

(Fall leaf emoji) Being awake for more than five hours at a time

TOP 3 FALL DIVAS

Lucy Dale,

Hopes to one day be a diva

I was going to do Smash or Pass and FMK but then I looked at the options and felt that'd be

weird for too many reasons and not enough of them were funny so.....yeah.

PSA (PEE SPRAYING ASSAULT)

Lucy,
Concerned Citizen

Here's the situation: I live in King and we have co-ed bathrooms. I always heard the horrors but never truly thought things could be that bad. I was **SO wrong!** Men, sorry, **boys**, you're little boys and you need to stop leaving your urine on and around the toilet seat! It's so gross and disrespectful to the superior gender. But Lucy, how can we end this epidemic? Well, like most epidemics, we could always just **get rid of all the boys**, but I guess some of them are all right on a cold night, so here's my solution: **if you don't know how to use your joystick, put your tail between your legs and sit your ass down!**

Anyone who would like to sign my petition please sign this bullsheet and return it to outside the Bullsheet office in Knapp.

Only one of these bulls knows the right way to pee. And it's not the one on the right.
