GRANVILLE'S "Best Costumed" PUBLICATION

Vol. XLV, No. 29

THE COSTUME GUIDE YOU'VE BEEN WAITING FOR

Leah Jackson,
Creative Visionary

For the Lazy

Black Sheep

This is my take on the "I'm a mouse duh" but it's slightly more creative because it's a pun. All you need is a black outfit and a pair of sheep ears. Maybe some eyeliner and a cig if your feeling fancy

Blackbeard

Another one-prop wonder costume. Throw on a black beard with any outfit and your him. (Although a hat could be a nice touch)

For the Committed

MEGAMIND

This was the first movie I ever saw in 3D and I peed my pants

James Charles Coachella 2019

I've been waiting for someone to do this for years. Why are the people so afraid of an assless chap and a tuck?

Giselle

It actually hurts a little that I never got to this in my college career. Bonus points if you recreate the curtain dress.

For the Slutty

Green mmm

Come on. Someone has to do it. The go go boots are calling.

Bob da Builda

This one's a bit of a hear me out. I'm picturing overalls no shirt underneath.

Paris Hilton

You know her, you love her, and you can create one of her early 2000s looks with things you already own.

For the Funny

Cigarette

Maybe then he would want you.

Koolhaide Man

OOoooooohhhhhh
hhh
yeahhhhhhhhhhhhhh
hhhhhhhhh

For the large group Candyland!

This. Would. Eat. This would eeeaaaatt. You can't tell me this wouldn't eat. This bitch!
Your joking. Eat.

For the small group

Blue man crew

If anyone in Doghouse is reading this I hate you this has been on my list for years

For the couple

Turtle and Shell!

- Annoying
- Disturbing
- Clingy
- Great use of Morph suit

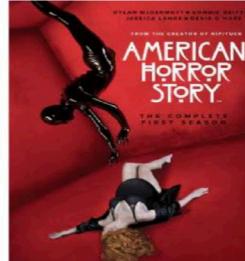

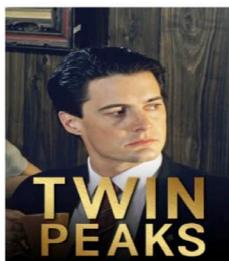

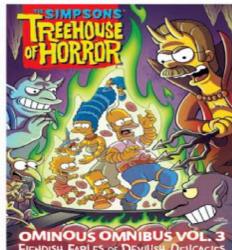

For the best friends Amoeba Sisters

I actually think this is adorable. You could could make it so cute. If I ever had twins (which would never happen because I fucking hate babies) I would dress them as this.

SHOWS YOU SHOULD WATCH THIS MONTH

Leah Jackson, really into the pictures today
