GRANVILLE'S "MOST E" PUBLICATION

Vol. XLV, No. 49

EXPOSED: AN EXCLUSIVE LOOK AT THE BULLSHEET'S EMAIL INBOX

Lucy Dale,
getting fired for this

Subject: Is there a way to rid yourself of past misdeeds?

There are many courses from The Scientology Handbook, and together they provide all the tools needed to confront and resolve virtually any life situation. And these are yours for the taking, since every course from The Scientology Handbook is free of charge.

We look forward to welcoming you on your next course and to helping you gain the skills and knowledge to succeed in life.

Sincerely,
Nancy

Online Course Supervisor

I'm not sure how we got on the mailing list for the Scientology religion, but we get emails like this so often. I only know of celebrities who are apart of Scientology so I like to believe that "Nancy" is Nancy Pelosi, Nancy Drew, or Nancy Sinatra. This also means that The Bullsheet is actually famous and Kim Kardashion is somewhere like, "did The Bullsheet respond?" Well Kim, here it goes, we are already committed and practicing Buddhists. But try reaching out in a couple of years because these freshman we brought on are kind of spicy!

Subject: You have unread messages from 6 people

Catch up with your messages on Instagram.

We have had 6 unread messages on Instagram since my freshman year and we don't have access to our Instagram account. I would wager that five out of the six are hate comments. The last one is probably a Sugar Daddy just looking for someone to spend money on and since Denison sure doesn't, please send all Sugar Daddy applications to the Bullsheet email.

Subject: The greatest Black Friday eComm deal in cyberspace.

I beg to disagree. I don't have any competitors to shout out, but I just know that BlueHost not having the "greatest" deal. 60% off? I won't even enter the store on Black Friday if the sale is less than 75% off. Like, I'm not fighting a soccer mom with a God complex to get the last pair of Lululemon leggings if I'm paying more than \$4.00!

People

SEXIEST

GOD BLESS THE
BULLSHEET!

MAN ALIVE!

Jonathan Bailey has been named the Sexiest Man Alive by People's Magazine. I think if you ask me, I believe the Bullsheet staff deserves to have some sort of input... considering we are Granville's Sexiest Publication!

First up is Elliot, when asked about Jonathan Bailey being named the Sexiest Man Alive, here's what he had to say:

"You know, I watched Bridgerton through and through.. and I gotta say... I gotta agree with the people. That man is HOT."
