

BREAKING: BULL HAS AN IPAD

Hi Guys, Its me Bull!

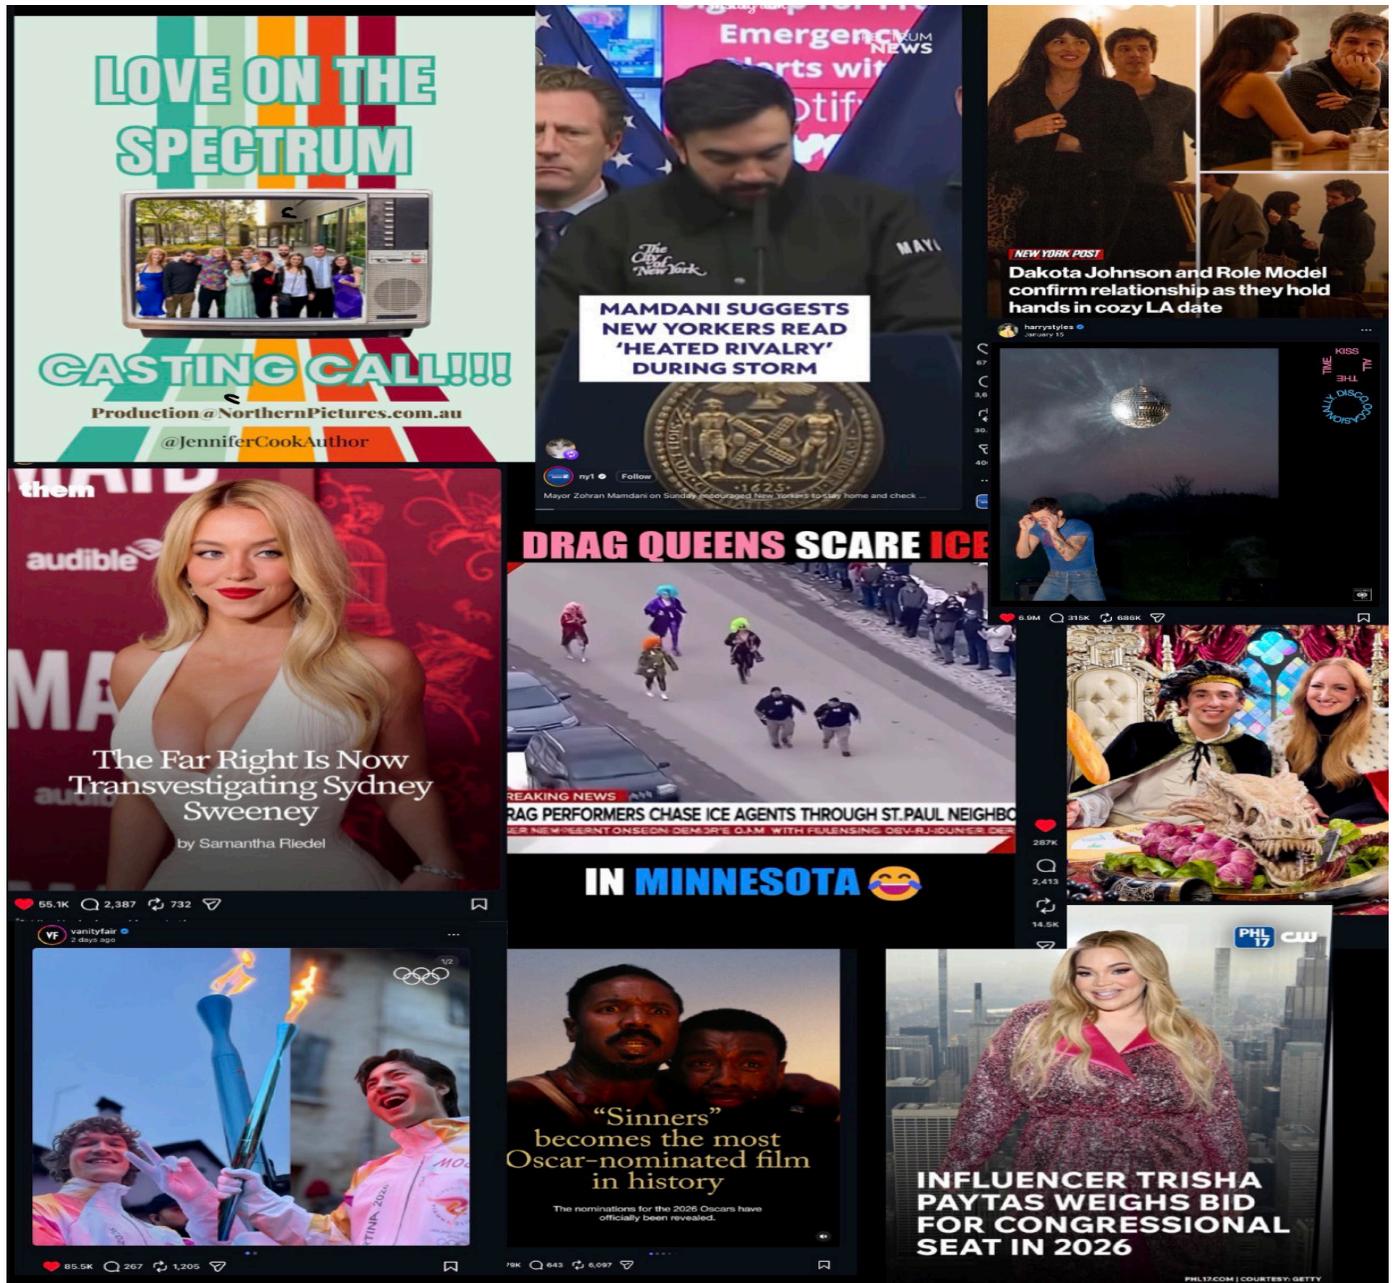

Sorry I've been MIA lately. Winter is not my time of year. Flu season, dry skin, depression and now a giant snow storm that forces us all to be inside alllllll day? This shit sucks. Thank god I have my **ipad**. An entire 8.3in x 10.9in utopia right at my fingertips. Seriously! I have all the news, entertainment and mind-numbing scrolling I could ever need and I can find any movie I want with the help of Soap2day. AND after years of being logged off of instagram I've finally remebered I was still logged in on my Ipad! Stupid Bull! You guys wont believe the stuff I found out today.
