## ***MORE NEWS: KNOBEL HALL CONSTRUCTION UPDATE***

---

*Meredith, Lily R., Lilly A.,  
Christine, Carter, Aiyana,  
and William , PR staff*

Dear Valued Students,

We are working as hard as we can to look busy on the construction of Knobel Hall. An active construction site looks great to all the touring prospective students but we recognize that patience can be difficult for some of our current students. That is why we would like to update you on the latest features currently being installed in our brand new building:

- AI Companions who will shower you with love and support no matter how bad you did on that last test.
- A literal shower. The building is for computer science majors after all!
- Private study rooms with noise cancelling walls to promote focus.
- Low red lights to help cancel out all that unhealthy blue light.
- State of the art speakers to play some calming smooth jazz throughout the halls.
- Beds, couches, and jouches (jean couches) for all of your napping and study break needs. After all, Denison is all about alleviating our students' needs-

Wait. Hold the fort. As I write out all of these features, it has occurred to me that when put together all at once these renovations appear to be... risque. We here at Denison cannot stress enough that Knobel Hall will NOT be an AI Brothel. I repeat: **KNOBEL HALL IS NOT AN AI BROTHEL!**

Don't believe me? Fine. Guess we'll have to add twelve more months to construction! Hope you degenerates are happy.

See you all next year,  
***Denison University***

# GIVE ME BUZZY OR GIVE ME DEATH!

Lily Reaser,  
serious

I demand more Buzzy on campus. He was such a delight on my first days here! I took a picture with him. I look at that picture every night because he has been MISSING! Where do they hide him...? What do they do to him? My working theory is that they have him locked in a cage under Slayter, laying the eggs to be fried and put on my chicken sandwich, and replying to Adam Weinberg's emails. This is NOT ok. He deserves to be free to frolic around campus and spread joy to all the boys and girls of Denison. Why do all the other mascots get to be at sports games? Buzzy loves sports! And people! And love and laughter and the little things in life. So, I want to ask, NAY, DEMAND MORE BUZZY! The people want Buzzy, and if we don't get Buzzy, then I will have to take matters into my own hands. I will break Buzzy out of his cage and free him myself if I must.
