

RATING ENGLISH SNACKS

Christine,
Foodie

Jaffa Cakes 8/10. One of the better biscuits by McVities. If you like the combination of chocolate and orange, then this one is good. They get stale quick which sucks.

Cadbury Twirls: 10/10. These are honestly so amazing. Cadbury makes the best chocolate in the world, and the twirl is just an added bit that makes it better. Don't know how but it just is.

Monster Munch: 7/10. This one is kinda controversial. If you don't have refined taste, then you may not like the pickled onion flavor. I think they taste good, and the shapes are fun.

Wotsits: 5/10. If you like Cheeto puffs, Wotsits kinda taste like it, but worse. Not bad, but doesn't beat Cheetos.

Squashies: 100/10. These are the best british sweets in the world. They come in so many different flavors, and each flavor SLAPS! Nothing beats the original raspberry and milk flavor, but the rhubarb and custard comes close.

Wine Gums: 4/10. Does the job.
