HUMAN OR AI?

Elliot Harpham, enthused

We came up with an example to help our *incredibly intelligent* readership work on their meDIa literaCy sKillS. Was it written by AI, or written By One of Our skilled staff BroS?

Prompt: Write a haiku about bulls.

AI:

Ok, here's what I came up with - a short, detailed poem that fits the requirements of a Haiku, all about one of Earth's coolest animals - the bull!

Hooves drum dusty earth,
Broad horns carve the golden dusk,
Snort of ancient strength.

Would you like me to generate a high-intensity image of a bull charging to match these verses?

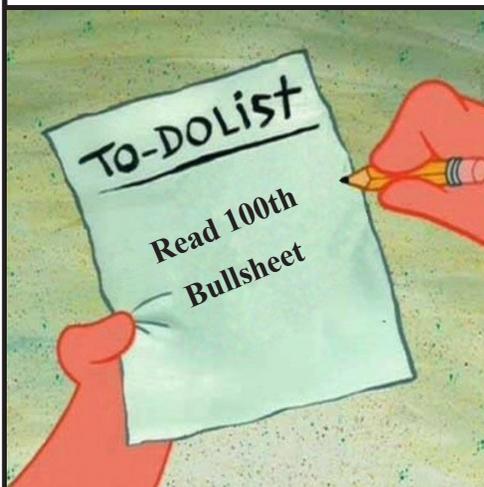

Human:

BULLsheeT is better
Than the DeniSonian.
We're real journalists!
