SUMMER VACATION DESTINATIONS REVEALED

Lindsey George,
Travel Planner

MOSTLY As: Tristan da Cunha: say hello to a summer for yourself! On this island, the most isolated in the world, you will have plenty of time to reflect on the past school year and contemplate goals for the next school year. You can hang out with the locals, practice your fishing skills, and stare out into the deep blue abyss for three glorious months. Enjoy!

MOSTLY Bs: The Bermuda Triangle: Your summer will be full of mystery, living on the edge of danger. You'll take this time to explore the unexplored, and see the phenomenon from all perspectives, from Florida to Bermuda to Puerto Rico from inside the triangle itself... Good luck, and I hope to see you next year!

MOSTLY Cs: Cheep Cheep Beach: Ah, time to relax. Head over to Mario Kart's finest and veg on the pristine sparkling shores. Get your tan on, swim in the crystal clear waters, and explore the forests. Just don't get hit by a squeaky dinosaur or giant gorilla while you're walking around this lovely destination!

MOSTLY Ds: The Titanic Shipwreck: Don't forget your swimsuit this summer vacation! You'll definitely make a splash. This summer will be full of adventure, exploring the mysteries of the fateful night of the wreck. Be careful down there, I can't wait to hear all about your excursion. Just don't get crushed...
