GRANVILLE'S "MOST FEMINIST" PUBLICATION

Vol. XLV, No. 121

Long awaited response to William's response to my response

*Leah Jackson,
open book*

!!! Do not read this if you are not William !!!

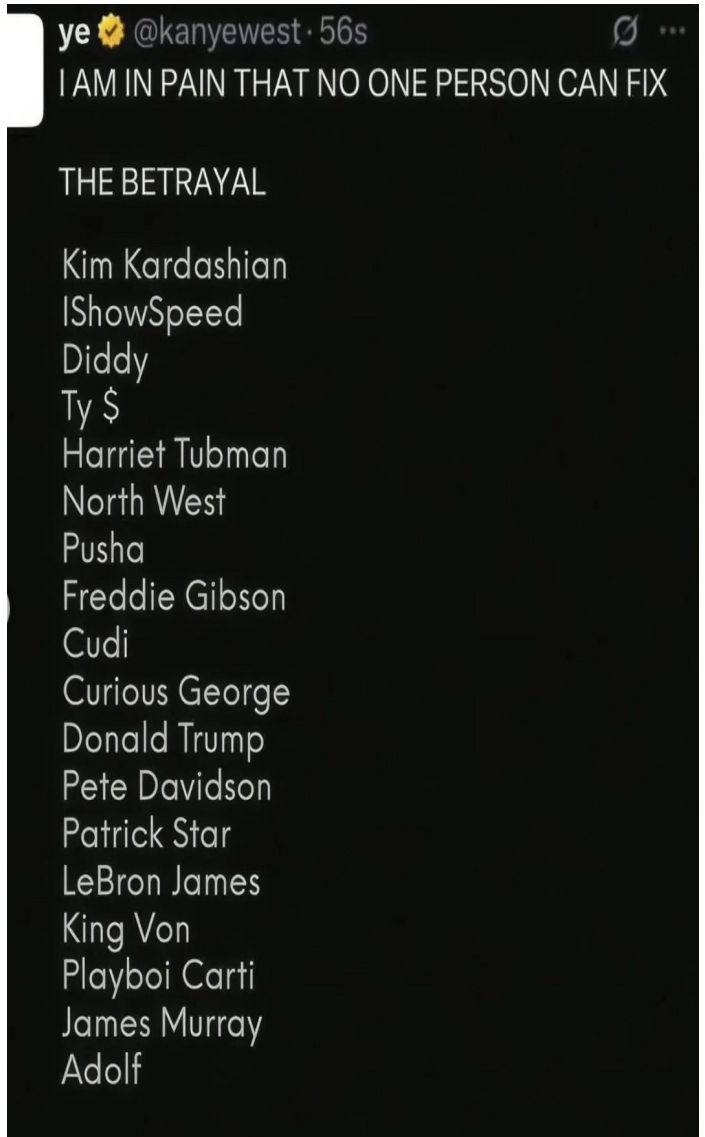

Well. Well. Well. You've mad three very interesting (and irrelevant) points, along with five other points you forgot to number in your article formating. Allow me to adress them each indivually.

1. Bold of YOU, *a man*, to acuse ME of being *anti-feminist*. I bet I know a lot more about women than you do. I AM a woman! I eat, sleep, and breathe WOMAN! I bet you've never even looked at a woman! Probably cuz ur too busy checking out all the hot dudes in the room. ohhhh burn.
2. You want to make this personal? We can get personal. You say you like TRUCKS, BEER, GUNS, and FOOTBALL. Well, as of today, April 8th, 2026, your instagram username is william_the_heretic. A self proclaimed heretic doesnt sound like the kind of guy who would like TRUCKS, BEER, GUNS, and FOOTBALL. You say you like podcasts? What kind? Because I know plenty of gay podcasts. You say you like women? Name one. I know all of them.
3. I bet you do.
4. If anyone is projecting it was you after that tintsy tiny little brokeback mountain tag next to your name.
5. Including a naked woman on a tarot card = feminist
6. Talking about vaginas = feminist
7. If you'd seen Spring Breakers you would know the boobs are impossible to miss. Even the gayest of men (cough cough) wouldn't be able to ignore the big natties in that movie.
8. The staff box. I'll have you know I've never been to Portland, but I have inside sources. My army of bisexual women and their boyfriends and my one bisexual man and his girlfriend keep me in the loop.

Listen. It seems like you have an issue with being gay. Maybe you have something to hide but I don't. What's wrong with a straight woman appreciating queer culture? I've never had a gay awakening, but I were to wake up one day and be attracted to a woman I would welcome that developepment with open arms. My father wouldn't, but I personally, am an ALLY. This is a safe space for you to be yourself. <3 You any I both no that no one would choose to date men on purpose.

Betrayal List

*Leah,
Spiteful*

Kanye recently posted a “BETRAYAL” list that included the names of everyone who has ever wronged him. Among these names was Diddy, which checks out, Harriet Tubman, which is questionable, and Curious George, which I can’t even begin to imagine the reasoning for. He also included his daughter North West. I decided to make my own list.

1. The American Government
2. My Grandma
3. Carrie Bradshaw
4. Cental Cee
5. Niki Minaj
6. Andrew
7. Everyone who bullied me in middleschool
8. Santa
9. God
10. My deodorant
